BY THE SENATE, Jan. 10, 1825.

Gentlemen of the House of Delegates,

Your message accompanying the bill, returned to the senate on the 6th instant, entitled, "An act to ascertain and fix the salary of the clerk of the council," has been maturely considered, with that spirit of accommodation and respect which should on all occasions characterize both branches of the legislature in furthering the interest of the good people of this state. Viewing, as we do, the office of clerk of the council a highly responsible and important one, requiring in the officer, talents, fidelity and great industry, we would suggest the propriety of appointing a committee of conference to take the subject under their immediate consideration, in order more speedily to adjust the existing difference of opinion between your honourable body and the senate.

By order,

W. KILTY, Clk.
